# MATTHEW VOGELSANG

*Full Stack Developer*

## PROFESSIONAL SUMMARY

Full Stack Developer with a solid foundation in JavaScript, Node.js, and PostgreSQL, honed through rigorous projects at the University of Miami. Demonstrates strong problem-solving abilities and meticulous attention to detail from a background in maintaining complex systems. Committed to continuous learning and leveraging skills to build robust, efficient applications in collaborative environments.

## EMPLOYMENT HISTORY

### SOFTWARE ENGINEER

*Empoweherto*

Jul 2025 - Present

*Toronto, ON*

- ♦ Selected as one of the first web developers to join the organization, playing a key role in shaping the digital direction of the company.
- ♦ Led the complete rebranding of the company's website, including redesigning UI/UX, restructuring content, and improving performance.
- ♦ Collaborated with leadership and stakeholders to align the new website with the brand's mission, vision, and goals.
- ♦ Contributed to front-end development using HTML, CSS, JavaScript, and modern frameworks/tools.
- ♦ Helped boost the organization's online presence, resulting in increased traffic, engagement, and visibility—supporting the company's recent growth and success.

### WEB DEVELOPER

*Self Employed*

Jan 2024 - Present

*Hollywood, FL*

- ♦ Develop and maintain web apps with HTML, CSS, JavaScript, ensuring cross-browser compatibility.
- ♦ Optimize site performance through minification, caching, and image compression for faster load times.
- ♦ Implement unit tests to validate features, reducing user disruptions and enhancing reliability.
- ♦ Streamline updates by identifying deployment issues, improving efficiency and client satisfaction.
- ♦ Conduct cross-browser testing, enhancing functionality and reducing user-reported issues.

### BOOTCAMP STUDENT

*University Miami*

Aug 2024 - Jan 2025

*Coral Gables, FL*

- ♦ Develop full-stack applications using JavaScript, Node.js, and PostgreSQL.
- ♦ Collaborate effectively in diverse teams to achieve complex project goals.
- ♦ Enhance technical skills through intensive hands-on projects.
- ♦ Maintain robust applications with Express.js and Sequelize ORM.
- ♦ Commit to continuous learning and technical advancement.
